

Food And Service -- IHOP

Tuesday, 23 September 2008

Last Updated Wednesday, 24 September 2008

Food And Service Posted by: juanano on 09/23/2008 11:43 AM The food is terrible. It never comes hot or they are always running out of food due to poor ordering standards. The cooks are substandard, Service is a joke. The waitresses, they stand around like deer in the headlights. They are not professional.
